Outreach Opportunity

Education First High School Exchange Year

Each year Education First connects thousands of international exchange students with caring host families across the United States. We bring cultures together, open communities to a wider world, and create lifelong friendships. Being a host family is as rewarding for you as it is for the exchange student. If you are interested in becoming a host family, contact Mallory Morman, International Exchange Coordinator, at (937) 533-0875. For more information visit www.efexchangeyear.org or see the flyer on the bulletin board.
