

Why Do Parents Want Their Children in One of Pioneer Clubs' Programs?

In a recent Pioneer Clubs survey, we found that parents value the experience their children have in club. The program provides an opportunity for children to have fun, learn new skills, build relationships, and ultimately, learn to make Christ Lord in every aspect of life. Parents appreciate knowing that their children are learning biblical values and making friends in a safe, caring environment under the watchful supervision of Christian adult role models.

Pioneer Clubs offers...

The Pioneer Clubs Pioneer program effectively ministers to children using age-level groups. This time-tested format consists of small groups of children of similar ages with two or more adult leaders per group. The Pioneer program creates the perfect environment for developing healthy relationships—with peers, Christian adults, and ultimately, Jesus Christ—resulting in genuine life-transformation! Weekly Bible study, meaningful Scripture memory, and fun life-skills activities make each meeting memorable and full of variety.

PIONEER Program

The Pioneer program offers five age-level groups for preschool through grade 6.

Choose from:

- Skippers (ages 3)
- Scooters (age 4 through K)
- Voyagers (grades 1 & 2)
- Pathfinders (grades 3 & 4)
- Trailblazers (grade 5 & 6)

MEETS EVERY WEDNESDAY
FROM 7:00 TO 8:30 PM

OCTOBER THROUGH APRIL

What's a Typical Meeting Look Like? The only thing typical about a Pioneer Clubs meeting is that it's never typical! While each meeting has an underlying routine that everyone can count on, there is a great deal of variety to round out a child's experience. Our age-appropriate skill-building activities include arts, sports, personal development, and hobbies. And of course, Bible Exploration, Bible Memory, and skill activities are part of every meeting.

Pioneer Clubs®...meeting the changing needs of children with an unchanging message since 1939.
